

Yanmar Warranty Coverage & Claims Procedure

1. Yanmar Warranty

Full details on Yanmar Warranty Coverage is provided in the Yanmar Warranty Handbook supplied with each engine, see Appendix.

A brief summary of the warranty period coverage is as follows:-

- | | |
|---------------------------------------|---|
| * Industrial Use Diesel Engines | 24 months or 2,000 hrs, whichever occurs first. |
| * Pleasure-Boat Marine Diesel Engines | 24 months or 2,000 hrs, whichever occurs first. |
| * Work-Boat Marine Diesel Engines | 12 months or 3,000 hrs, whichever occurs first. |
| * Diesel Outboard | 12 months |

NOTE:

- Yanmar warranties do not pay towing, slipping, hardstand or wet berth costs.
- For more details on “what is covered” and “what is not covered” by Yanmar warranty, refer to the Yanmar Warranty Handbook.

Mercury Bravo Series Stern Drives:

- Bravo Series Stern Drives are warranted by Mercury, in personal – recreational use applications, for 12 months or 500 operating hours, whichever comes first.
These warranty claims should be made direct to the Mercury dealer
- Bravo Series Stern Drives used in Light Duty Commercial / Charter applications, refer to Power Equipment for warranty coverage details.
